1. Overview of Service

Product Name	Pre-made libraries partial lane sequencing (PE250)
Sequencing Platform & Strategy	NovaSeq PE250
Data Requirement	14.5 G of raw data per sample
No. of Sample	8

Data analysis	Data quality control
Turnaround Time	17 working days starting after we receive confirmation of the sample QC report from customer

2. Sample Requirements

This quotation is provided subject to Novogene’s sample requirements which can be found here:

<https://www.novogene.com/eu-en/novogene-sample-requirements-pdf/>

Note:

- a. Detailed requirements can be referred to the Sample Information Form (SIF).
- b. Samples not meeting Novogene’s specifications can be designated by the customers as to be processed "at risk". If library preparation failed, only the cost for library preparation will be charged. The turnaround time could be extend depending on circumstance.
- c. If the customer chooses to opt out certain procedures in Novogene standard QC pipeline, the samples will be graded as "Hold" or "Fail".
- d. The data amount stated in the quotation corresponds to the average amount which will be ordered for sequencing. For samples passing our quality control and graded as Pass, Novogene will guarantee no less than 98% of the data volume stated in the signed quotation per sample.
- e. Amplified cDNA samples will be subjected to different QC standard.
- f. Novogene will initiate library prepare directly if all samples of the project have passed the sample quality control.If you disagree with that, please inform in advance.

3.1 Bioinformatics Analysis (Pre-made libraries partial lane sequencing (PE250)-Data quality control)

Data quality control, including statistics of sequence quality, error rate and base distribution

3.2 Customized Bioinformatics Analysis (Pre-made libraries partial lane sequencing (PE250)-Index demultiplexing)

Index demultiplexing

4. Sample Submission

All samples must be delivered to Novogene in accordance to the sample requirements listed above. Please request for the sample submission form and sample submission instructions from the Novogene representative. Samples should be sent to the address below:

ATTN: Novogene Sample Collection Team

5. Customer Service System (CSS)

Do you know?

The Customer email address shown on this quotation will automatically become the **Project Owner** on the Novogene Customer Service System. On CSS, you can track and manage the project online 24/7. Please note that only the permittee(s) can access the project information on CSS and receive CSS email notifications. You may use the **My Team** menu on CSS to issue an authorization.

6. Terms and Conditions

Any quotation given by Novogene shall not constitute an offer, and is only valid for a period of 30 Business Days from its date of issue.

This quotation is provided subject to Novogene's standard terms and conditions which can be found here: [Novogene \(UK\) Term and Conditions](#).

These terms and conditions and the sample requirements apply to this quotation and any subsequent order notwithstanding anything to the contrary contained in or incorporated into any document from or oral statement made by you, the customer. No variation or amendment to the terms and conditions or the sample requirements shall be of any effect unless expressly agreed, in writing, by a person authorized to sign on behalf of Novogene.

By accepting this quotation, you are confirming that you have read and you accept the terms and conditions and the sample requirements and you are authorized to enter into a contract on behalf of the customer.

For example: All materials, intermediate products, results and data will be destroyed or removed at any time after 30 calendar days post-completion of the services unless otherwise agreed in writing with the Customer.

I agree with the information and pricing provided in this quotation and would like to authorize Novogene to proceed based on terms and conditions listed above.
